Student Expectations

As a school, we would like to remind our students and parents that there are no food or drinks allowed on the playground. In addition, only water is allowed as a beverage in the classrooms outside of lunch time. An additional reminder is that cellphones are to be kept in the students lockers unless given permission by their teacher and they are going to be used for an educational purpose. Thank you for discussing these rules with your child.

Supervision

Our school provides supervision 8:35am-3:25pm. If your child requires supervision or child care outside of these hours, please make the appropriate arrangements. For information on the Blooms and Buds Before and After School Program, please contact Samantha Simmonds at (306) 764-6505.

Band News

Our band students will be having a bake sale during Family Fun Night on Dec. 7th, to help raise money for a band trip. Band students, please bring your baking and donations to the school during the day on Dec. 7th.

There will also be a band concert and art gala on Thursday, December 15th at 6:30. All parents and families are welcome to come and enjoy the sounds of the season!

Book Fair Update

A big **THANK YOU** to everyone who supported this year's **SCHOLASTIC BOOK FAIR!** Our total sales this year was **\$4241.90**, which earned our school **60%** in free books from Scholastic for our library! The draw for **\$25** in free books for the student and **\$25** worth for their classroom was won by **Naim R. and Mrs. Meyers. WAHOO!** Thanks again for helping with this literary fundraiser by purchasing books and promoting reading to your child!!

We Need Your Opinion!

Please take some time to complete this survey about the possibility of opening up our school library to our families. The survey is short, and will help us determine use, interest, and needs to make this possibility a reality! <https://www.surveymonkey.com/r/FDHW6GH>

Recycling School Fundraiser

We still have our school SARCAN Drop & Go Group Account making recycling drop off so easy. Feel free to donate your household recycling using the Drop and Go *group phrase APPS in the touch screen* terminal at the SARCAN depot. All funds will be sent to the school by cheque, and will be used to help with a variety of school events throughout the year. Thank you so much for your continued support!

[Silver for Gold](#) was created with the hope of impacting families across Saskatchewan. We collect pop tabs and donate 100% of the money to Childhood Cancer Research and Awareness directly supporting [Small But Mighty SK](#) from [Saskatoon, Saskatchewan](#). Please save your tabs. If you have any questions, please contact Mme Shelley Mitchell. She is the representative for Prince Albert and area and will pick up your tabs.

Allergen Aware: Reduce the Risk

There are children in our school with severe life threatening food allergies (anaphylaxis) to nuts and peanuts. This medical condition can result in death within minutes. Although this may or may not affect your child's class directly, we ask that any foods you send to school with your child be free from nut or peanut products. More information about anaphylaxis is available at the school. Please contact us. Thank you for your understanding and cooperation.

Athletics Update

Volleyball season has come to a close. Congratulations to all athletes on taking part and learning so much. All teams played well in playoffs, with many exciting and close matches. Congratulations to the grade 6/7 Boys and grade 7/8 Boys teams on winning the silver medal in their playoffs.

Basketball season starts this month and will continue until the end of February. We have already started our first skills camps for grades 6-8. The league schedules for games will be released just prior to the holidays. Here are the tentative dates for the first practices:

6-8 Girls: Dec. 1, 8, 14 – 3:10-4:45

6-7 Boys: Dec. 6, 12 – 3:10-4:45

8 Boys: Dec. 5, 13 – 3:10-4:45

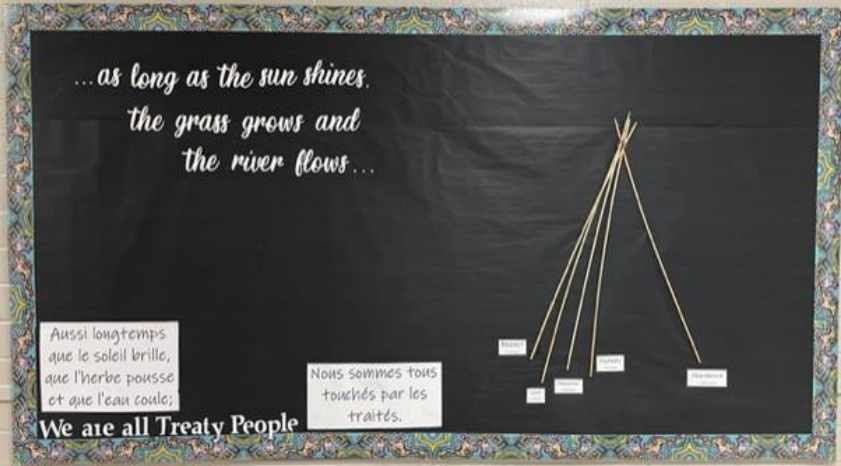

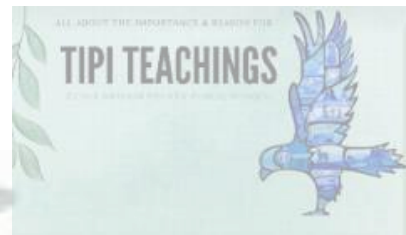

Grade 5's will start practicing at lunch on Tuesdays starting Dec. 6th. They will be playing in a 3 on 3 league that was organized similarly to volleyball.

Sask Live Arts

The French Immersion students are excited to participate in a broadcast with Sask Live Arts! We were invited to host the broadcast in our school December 13th and 14th. Students from our grade 7/8 class will learn how to set up and use the equipment to record and live-stream the broadcast. Some students from each of our grades 1-8 French classrooms will be able to participate in-person with the artist Chanz Perry in the live-stream broadcast, while the rest of the class will be able to participate live from the classroom. Chanz Perry is an accomplished Canadian dancer and actor who will be leading a session on dance, all in French! The broadcast will be archived with Sask Live Arts and will be available for teachers across Saskatchewan to use in their classrooms in the future. Sask Live Arts aims to provide support to teachers in the different art strands, including dance, drama, and visual arts. We are so excited and honoured that we are invited to participate in such a great program!!

Tipi Teachings: *Faith*

For the month of December, our school is learning about faith in tipi teachings. *Faith/La croyance* means to find trust in others and to find strength in ourselves to be our best selves. We develop pride and belief in one's self and in achievement of one's potential. Faith supports us in sustaining our spirituality.

Only until December 15th!

The FTV parent survey is underway and due **December 15th**. The information that will be gathered from the surveys will help teachers support students from a parent and caregiver perspective.
